Hilbert College Night

The SECCA would like to thank all of the students and parents that support the College Fair. The money that we raise at the fair is used to provide each member of our organizations home school with a very substantial scholarship. It is always a great success because of the large turnout. Hopefully this activity helps in your search for a school that offers your desired major and fits your needs. Good luck with your continued search, and remember if you need help to see your counselor!
