COUNSELING DEPARTMENT**

October 7, 2008

Dear Parents/Guardians:

Lake Shore is pleased to offer **ACT's PLAN test to current Sophomores.**

WHAT is it?

PLAN is the 10th grade test that gives students a forecast of how they might do on the ACT Assessment. The ACT Assessment is taken in the Junior or Senior year and is used for college admissions and placement. ***In addition to gauging academic achievement, PLAN provides extensive information for educational career planning.***

WHEN will it be given?

Monday, November 17, 2008 during A and B blocks at Lake Shore Senior High School.

HOW much is it?

\$10.00 cash payable to Mrs. Paszkiewicz in the Main Office by Monday, October 27, 2008. There are 110 slots available for this test. ***The first 110 students who bring in their money to the Main Office will be signed up.***

WHO should take it?

All sophomores planning to attend some form of higher education upon completion of high school. Especially those planning to attend a four year college. For students not sure about attending college, the PLAN can help in thinking about career options.

How are the RESULTS used?

1. By the students - to practice for the ACT Assessment and to assist in career planning and exploration.
2. By the counselor - to assess each student's aptitude and to help guide the student toward an appropriate college and/or career.

If you have any questions or concerns regarding the PLAN please direct them to Ms. Boncore at 926-2324.
