The

Varsity Softball Team traveled an hour and a half to play Albion Friday afternoon for their first playoff game. Albion, who was seeded 5th in Class A, was caught off guard by the 12th seeded Eagles. During the Eagle's first at bat they strung together a few hits and took the lead 3 to 0. Paige Anderson and Ashleigh Mancini both had hits to score Eagle runners. The Eagles were held scoreless until the 5th inning when two singles from sisters, Andrea and Jillian Reitz sparked the Eagle's offense. Paige Anderson had another timely hit to score 3 more runs for the Eagles and Kelsey Anthon also had a hit to Anderson. The Eagles weren't done at the plate yet. Sara Rieman singled to start off the 6th inning and was scored by Katherine Caboot's single. Sara Rieman pitched a 1 hitter. She struck out 5 and walked 1. The defense behind Rieman had no errors. The Eagles hope to beat Williamsville East on Tuesday afternoon to continue their playoff run. Go Eagles!
