About our school

HOURS -

Our school hours for all students are 8:35 AM to 3:15 PM daily. Your child's presence at school is essential to your child's ability to be successful. Please help your child by making sure they are in school every day.

Our office hours (start of school through end of June) are 8:00 AM to 4:00 PM

Summer office hours are 8:00 AM to 12:00 PM daily

ABSENCES

/ TRANSPORTATION - Parents must send in a written note to the office for absences, transportation requests or other special needs.

PARENT PICK-UP - For bus safety reasons, we ask those who are picking up students at dismissal time to park in the back and enter by the gym. Thank you for your contribution to bus safety.

VISITORS - We welcome visitors to our school. Our visitor pass/ID program requires that upon entering the building, you report to the main office to sign in and obtain a visitor's pass.

NEW YORK STATE REPORT CARD -

The New York State School/District Report Card is an important part of the Board of Regents effort to raise learning standards for all students. It is designed to provide information to the public on student performance on State tests and other measures of school and district performance. While this is not the only measure with which to evaluate school performance, knowledge gained from the report card on a school/district's strengths and weaknesses can be used to plan professional development, improve curriculum, and allocate resources.
