

Sr High Principal's Message

Last Updated Monday, 20 July 2009

Welcome to Lake Shore Senior
High School!

I am very excited to have been named the interim principal and am looking forward to a great year! Lake Shore High School is an excellent school and family that boasts a very dedicated, hard working staff and a student body that is second to none. And school spirit is never in short supply as both the faculty and students show off their Eagle Pride throughout the year in and out of the classroom. Whether it is homecoming, a sporting event, the musical, or outstanding academic achievement, everyone shares in the accomplishment since each individual is an integral part of our high school community and family.

At Lake Shore maintaining the status quo is not good enough. We are always exploring ways to improve ourselves and when all of us, students, faculty, counselors, support staff, custodians and administrators, choose to do our best every day then surely every goal becomes attainable and every obstacle surmountable. We make it our habit to be diligent in our work, confident in our abilities and respectful in our manner so that success will follow. New ideas, new perspectives and collaboration together with the demands and challenges of the world outside of school are the catalysts that drive us and make it possible for our students to be as prepared as possible for life after graduation.

My door is always open. Do not hesitate to contact me at 926-2310 or at cwalsh@lakeshore.wnyric.org if you have questions or concerns.

Thank you.

Christopher Walsh

Interim Principal
